

Older Toddlers

September 2023 Newsletter

Welcome to the start of a fun and exciting School Year. This month we will focusing on our Social and Emotional skills of sharing and engaging in Parallel Play. We would be working increasing our vocabulary, our literacy, social studies, cognitive, mathematics, and science skills, while we play and explore apples. All of these skills will help us, when we are ready to move up to the Preschool Rooms.

Please send in a Family Picture for our Family Tree. This helps children talk about who is in their family (a Social Studies & Language Skill). It also helps them when they need to see another familiar face.

Just a Few Reminders:

Please be sure your child has a set of extra clothes and please check out their daily sheet to see if they need anything
Please no heat ups. All hot lunches should be in a thermos and cold lunches should have an ice pack

We are looking forward to helping your child learn and grow, while working with you. Please don't hesitate to reach out if you have any questions or concerns,
