

Welcome to Creative Child Preschool classroom 3/4. My Name is Miss Amanda and with my Friend Miss Lori together we are thrilled to be your child's teachers this year!

We are excited to start a new school year. Our class follows Bright Star and RI Early learning standards. This year we will be busy learning through hands on activities. We will focus on discovery and science lessons, writing and math tasks and many great language and social skills lessons.

We will also be sharing many great books and integrating music into our learning. We will cover these areas using a variety of methods to ensure that learning is fun and interesting for your child. Free play is also an important part of academic opportunities in our classroom. It is through free play that children learn to socialize with others, share and take turns.

Our classroom is theme based and focuses on Creative Curriculum, meaning every week has a theme and every day we discuss a different topic pertaining to that theme. We will integrate this theme into most activities throughout the day.

You can find both the theme and lessons noted in the lesson plans posted on the classroom door and on our website. Parent teacher conferences will be offered twice a year. During this time, we will look at individualized portfolios and discuss your child's assessments.

We are here for both you and your child so come to us anytime you may have a question or concern. We look forward to a great year working with you and your child.

Sincerely,

Miss Amanda & Miss Lori
